>> **Publication of the Minebea Group Environmental Report**

In recent years, companies have come under increasing pressure to disclose information on their efforts to incorporate environmental protection efforts into their business activities. In 2003, Minebea published its first annual Group environmental report.

To ensure that future editions of its environmental report are as useful and informative as possible, Minebea included a brief questionnaire for readers. Responses were received from a broad spectrum of readers. A summary of their comments can be found on page 25.
