For Minebea, competitiveness
means ensuring both ultraprecision
machining and mass
production technologies.

Disclaimer Regarding Future Projections

In this annual report, all statements that are not historical facts are future projections made based on certain assumptions and our management's judgement drawn from currently available information. Accordingly, when evaluating our performance or value as a going concern, these projections should not be relied on entirely. Please note that actual performance may vary significantly from any particular projection, owing to various factors, including: (i) changes in economic indicators surrounding us, or in demand trends; (ii) fluctuation of foreign exchange rates or interest rates; and (iii) our ability to continue R&D, manufacturing and marketing in a timely manner in the electronics business sector, where technological innovations are rapid and new products are launched continuously. Please note, however, this is not a complete list of the factors affecting actual performance.

Note: Information contained herein is the exclusive property of Minebea Co., Ltd., and may not be reproduced, modified or transmitted in any form or by any means for whatever purpose without Minebea's prior written permission.
